#### **Treasurers Report: M Bettison on behalf of Hans Bauder**

Martin presented an overview of the accounts on behalf of Hans as he was not in attendance. Mark Northern and Martin Bettison had been issued the accounts prior to the meeting for verification all are a true and accurate account of the monies.

Details were passed regarding the current status of subsidised events and the account balance overall which is healthy although there does need to be a slight increase in the cost per ticket for the presentation evening due to increases all round and as such it was agreed at £30 per ticket but this will cover the three course meal and wine on the table.

Presidents Day was also discussed and agreed that the cost for this should be increased to £20 per entry to cover the food and prizes on the day.

**Communications: Richard Hone**

Richard asked that information be passed to him to upload to the web site.

**Captains Report: Sachin Kanaiya**

**Competitions Report: John White**

John informed all that the mid-week qualifiers will finish on the 4<sup>th</sup> October this year.

John also raised next years Club Championships for discussion and although a general discussion did take place with some good ideas passed around it was agreed that the decision on how this should be done should wait until the next meeting with more committee members in attendance.

John went on to state that all dates for next year have been issued to the centre and will be uploaded onto the system once finalised within the next few weeks.

Richard Hone asked how long the qualifying competitions would run this year and Mark Northern responded that they will run into October and a decision made on when the weather becomes unsuitable.

**Handicap Report: Mark Northern**

Mark reported that all handicaps are up to date even though the revised system now takes longer due to the changes by the EGU.

**Junior Section Update: Dene Parsons**

Dene was not in attendance, so no update was issued.

**Discipline: Mark Northern on behalf of John Hilton**

A discussion took place around how to make the matter of NTUs more effective and efficient without too much hassle.

A number of suggestions were put forward and these will be discussed in full at the next meeting when a detailed plan can be agreed and implemented at the next AGM.

### **Any Other Business**

A discussion took place around how we should promote the excellent work RPGC have done for all charities over the years and in particular on the amazing amount raised so far this year.

It is often just taken for granted that RPGC raise an outstanding amount without looking for any form of recognition year in year out and the members should be proud of what has been achieved with their help and input for over 20 years.
